WHY BUILD WITH US?

At Homes By Deesign, Inc., we are dedicated to giving homebuyers the personal attention, superior construction and outstanding design they deserve. Since our inception over three decades ago, we have made it a priority to make the homebuilding experience a pleasurable and memorable one.

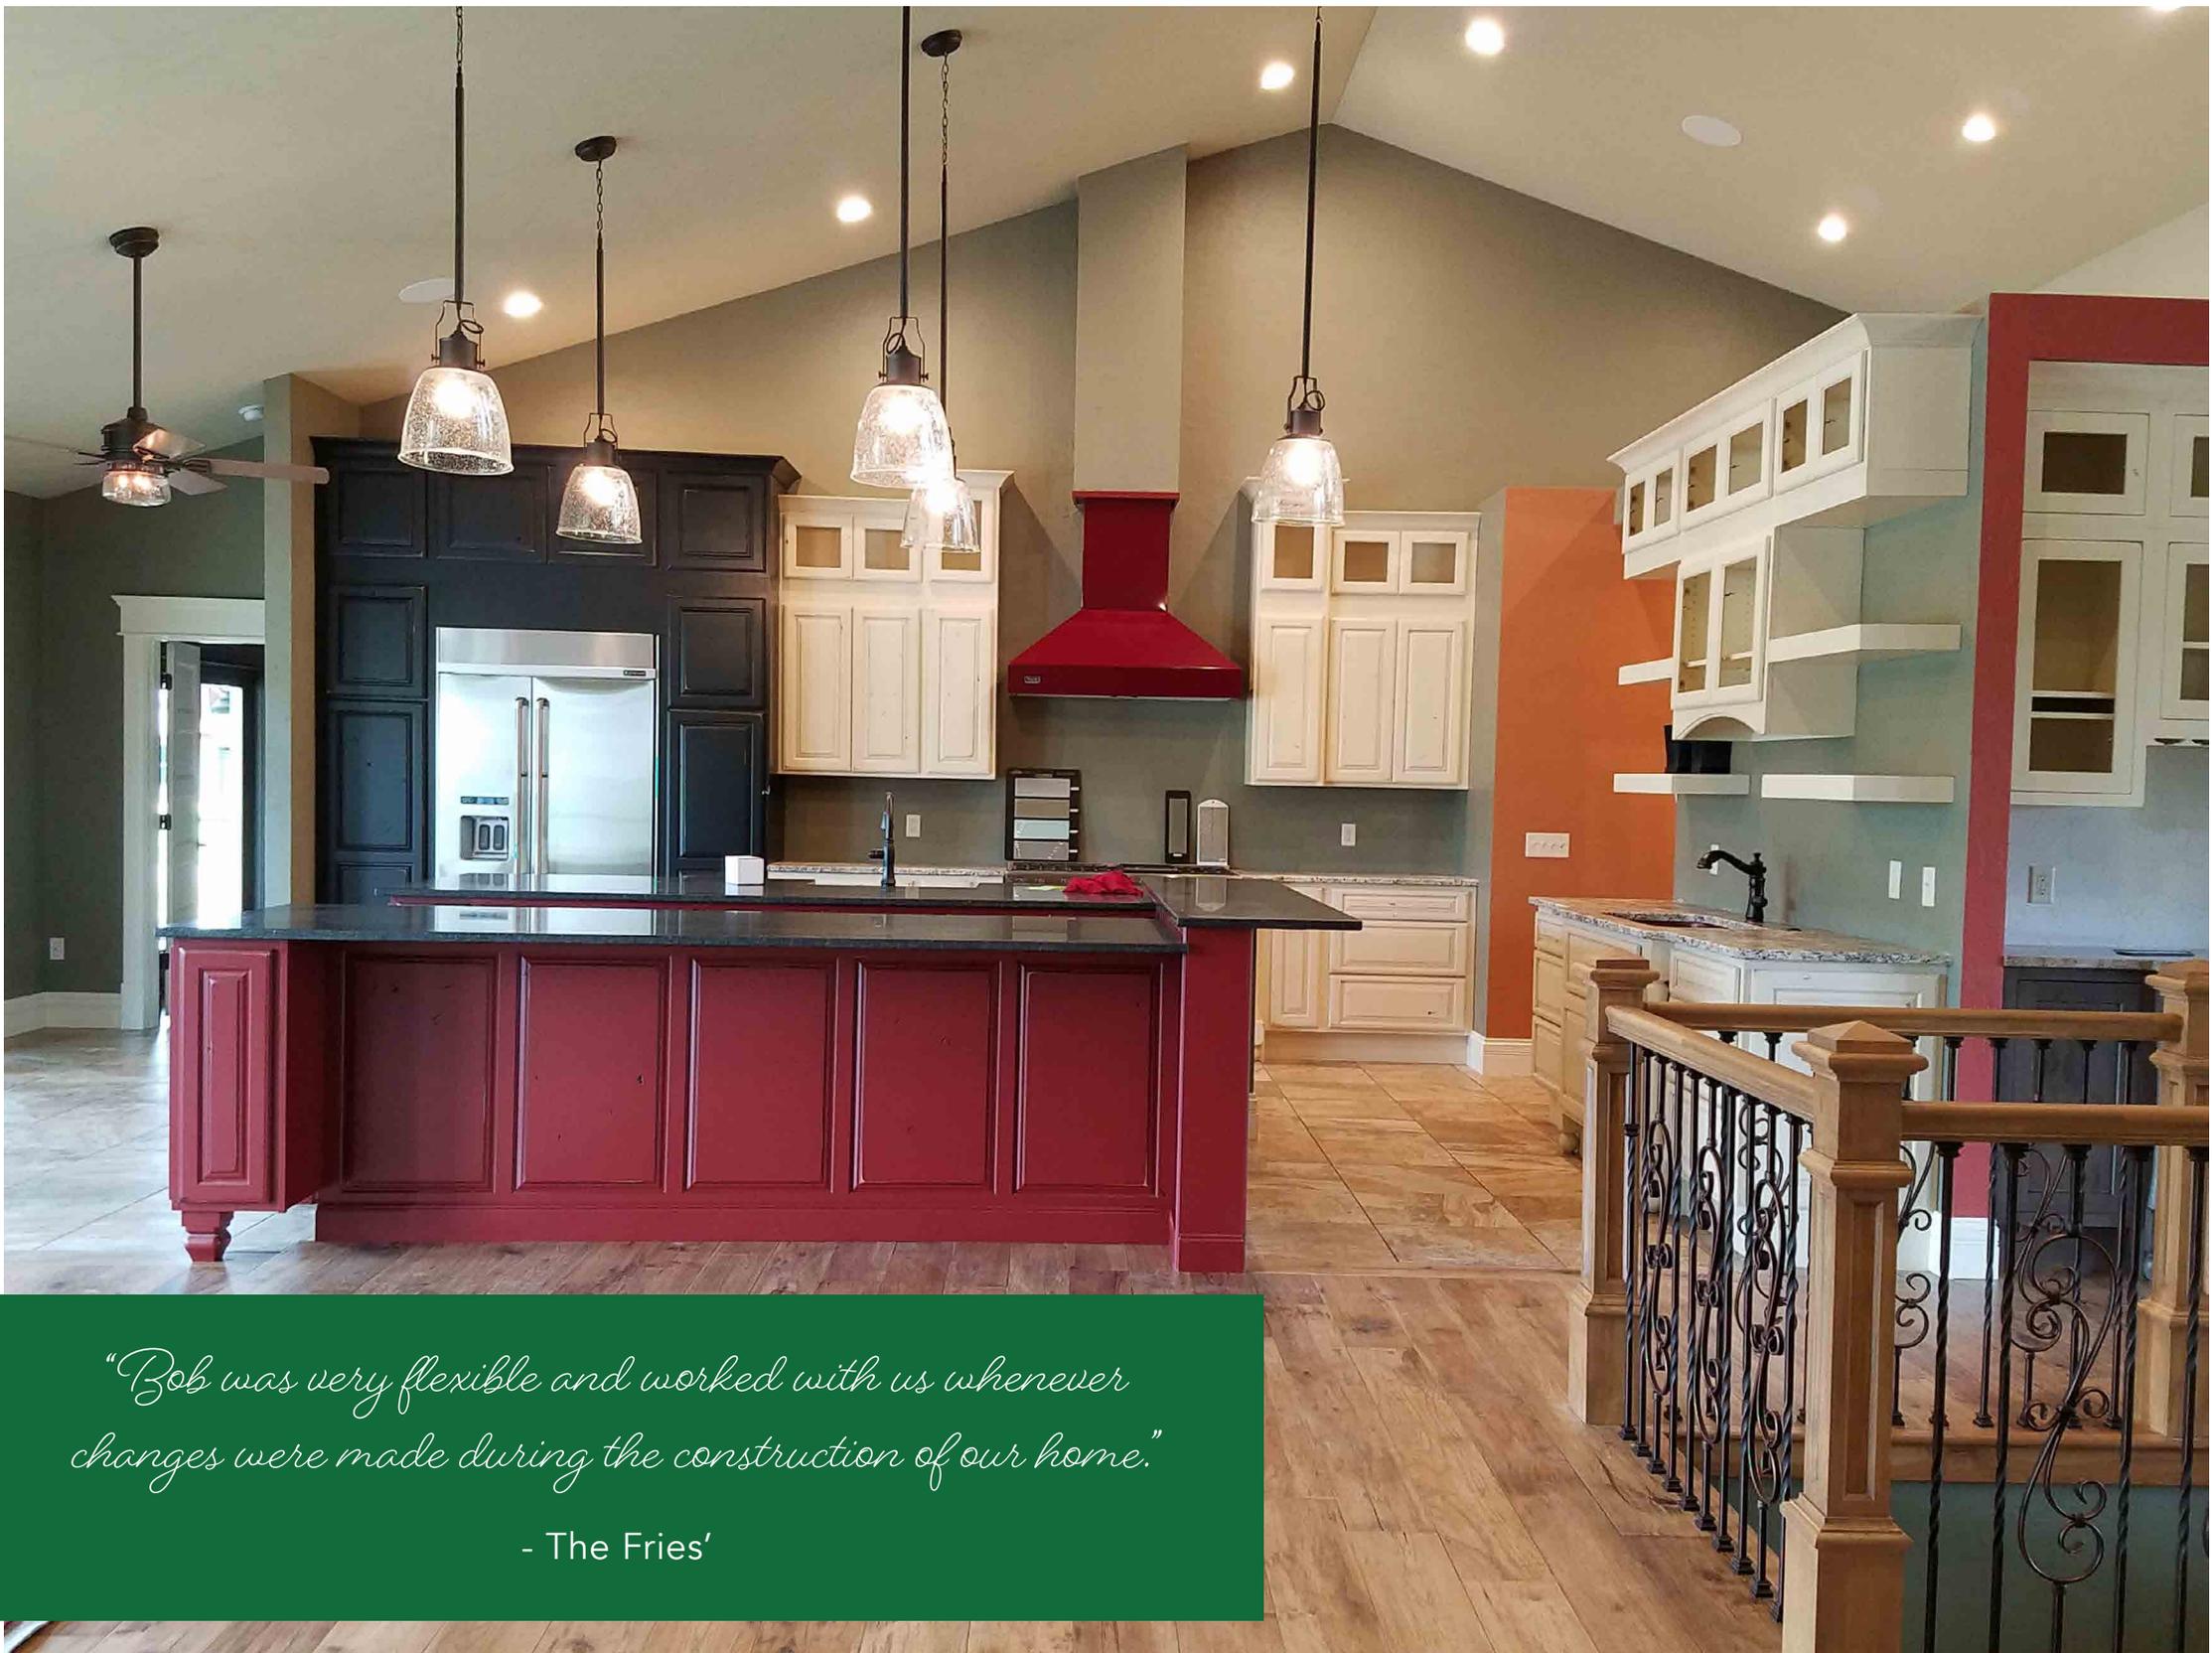

TRUST IN OUR PROCESS

We stand apart from other builders because we provide our customers with a true concierge experience. How is that different from conventional customer service? It is tailored to you and your situation. Our team doesn't just design your home. We design, refine, and improve. We pride ourselves in being responsive to your needs and desires, and providing personalized solutions to meet them.

"Homes By Deesign worked with me until we got the design I wanted with features I could afford."

- Vicki Brown

"Bob was very flexible and worked with us whenever changes were made during the construction of our home."

- The Fries'

BUILDING WHERE YOU WANT TO BE

HBD has exclusive offerings as a preferred builder in Castle Pines in Swansea and The Brickyards in Mascoutah. Thanks to many great relationships with other developers and builders in the area, HBD is able to offer lots in the following developments: Autumn Woods in Belleville, Wyndrose Estates in Belleville, Tanglewood in Caseyville, Tuscan Ridge in Caseyville, Milburn Estates in O'Fallon, High Valley Lake Estates in Shiloh, Meadow Pines in Freeburg, Ledge Stone in Smithton, Tall Timbers in Smithton, and many others.

A COMPREHENSIVE APPROACH TO BUILDING DREAM HOMES

Homes By Deesign encourages our homebuyers' full participation during the construction process and we welcome them to the job site. Before, during, and after construction, buyers can rest assured that they will receive the most comprehensive support available.

The starting point of our building process is you. We will custom design a home plan or modify an existing floor plan to meet your unique and specific needs. And once you feel comfortable that you have found the home that's right for you, we will sit down with you and go over the entire process. Our communication doesn't stop there: from concept, to construction, to closing, you will be kept informed every step of the way.

*Ensuring nothing but the Best
for you and your family*

"Bob got us to focus on what we really wanted. He suggested things to make our lives easier... Bob created exactly what we had pictured!"

Honoring Heroes with Homes

**OPERATION
FINALLY HOME**

Operation FINALLY HOME was established in 2005 as a nonpartisan/nonprofit 501(c)(3) organization and has already had a significant impact across the country. To date, we have over 250 home projects completed or in planning in 33 states providing custom-built, mortgage-free homes to America's military heroes and the widows of the fallen, those who have worn America's uniform and sacrificed so much to defend our freedoms and values. While we are very proud of the work we have been able to do, we are keenly aware that there is much more to be done.
