

New Construction

610 MORTAR STREET
THE BRICKYARDS OF MASCOUTAH

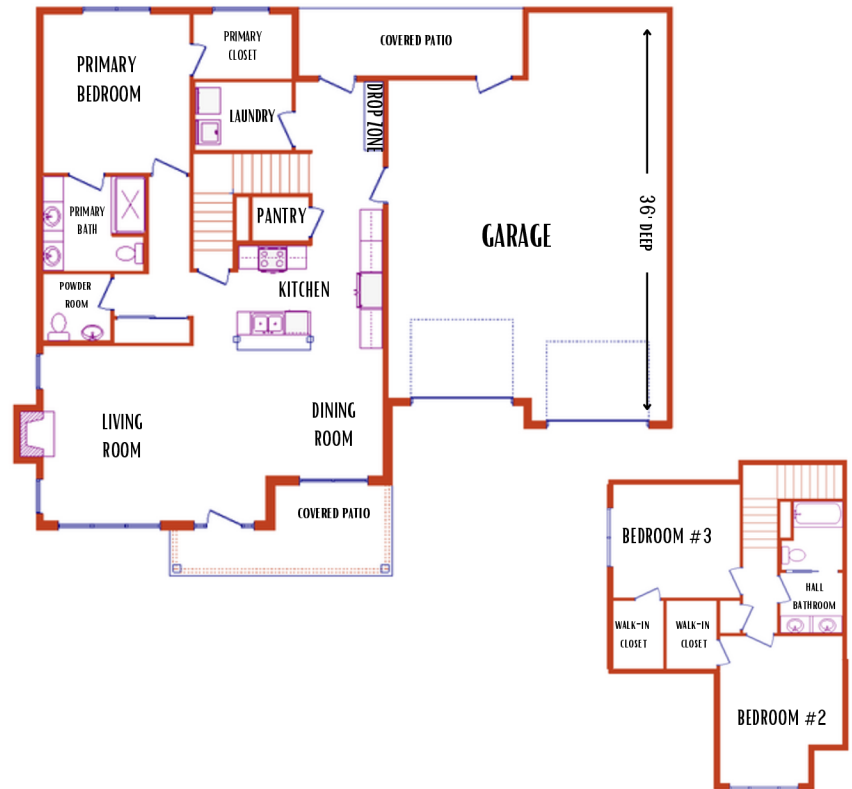

MOVE IN READY

This home is a unique story and a half layout, featuring the primary suite on the main floor, complete with a transom window in the closet and a tiled shower. The oversized garage is every family's dream. The second bay is 36 feet deep, providing space for lawnmowers, bicycles, or a third car. The easy flow of the main level is duplicated on the second floor with two large bedrooms, both featuring walk-in closets, and a hall bathroom.
